WINKLEIGH INFORMATION DIRECTORY

This is Issue 6 of the Winkleigh Information Directory updated since the previous issue in December 2013 to include current listings of services, businesses, clubs, organisations and farms in the Winkleigh area. For each entry there is a brief summary about what they offer.

The Information Directory is published and funded by the Winkleigh Society together with a grant contributing to the printing costs from Torridge District Council, arranged by Cllr. Simon Newton, which is gratefully acknowledged.

The Directory aims to provide a convenient source of local information for use by residents and visitors alike. While the information is believed to be correct at the time of publication, the Winkleigh Society cannot accept responsibility for any errors or omissions, neither do we endorse any companies, products or services that appear in the Directory.

The Directory is also accessible in electronic form at <https://winkleighonline.com> where it is regularly updated with any changes. If you know of anything that needs adding, updating or removing, please contact,

articles@distinctlywinkleigh.co.uk or
telephone 01837 680145 with the details.
