

## **WINKLEIGH SNOOKER CLUB**

Winkleigh Snooker Club has been in existence for many years and is accommodated as part of the Winkleigh Leisure centre. The club has the reputation as not only being the place to practice and enjoy friendly competition but where members are encouraged to apply their skill in a local snooker league. Two full size snooker tables are available, maintained to a good standard and accessible from 8am to 11pm daily. Access to the club is provided as part of a membership scheme, the details of which are available via this medium, or contact with committee members whose contact details are displayed outside the club. Those with access to the electronic form of communication can also find us on Facebook and via our email address of [winkleighsnookerclub@gmail.com](mailto:winkleighsnookerclub@gmail.com).
